Shanmuganarayanan N

in shanmuganarayanan-nagarajan

A motivated individual with in-depth knowledge of languages and development tools, seeking a position in a growth-oriented company where I can use my skills to the advantage of the company while having the scope to develop my own skills.

EXPERIENCE

Huddlenow

View Website | View Product

Worked on both design and development on huddlenow's website and product

Frontend Developer at Huddlenow

July 2022 - Present, Remote

- Pioneered a pre-launch UI enhancement project for huddlenow's flagship product, introducing modern design principles and ensuring responsiveness.
- Anticipated user needs, contributing to a refined UI that is poised for a seamless and engaging experience upon product launch.
- Spearheaded optimization initiatives, achieving a substantial 20% reduction in anticipated page load times.
- Implemented cutting-edge techniques such as code splitting and lazy loading, laying the foundation for an agile and responsive platform.
- Established an efficient workflow, ensuring timely project delivery and setting the stage for a successful product launch.

Junior Frontend Designer at Huddlenow

March 2022 - June 2022, Remote

- Developed intuitive and user-friendly interface concepts, aligning with the anticipated needs and preferences of our target audience.
- Applied user experience (UX) best practices to design interfaces that not only meet but exceed user expectations, enhancing the overall usability and appeal of the upcoming product.
